Community Resource Center Salutes 30 Years of Your Support

For 30 years our model programs have provided safety, stability, and a path to self-sufficiency to countless households in crisis. Thousands of supporters, volunteers, and staff members have helped us reach this milestone.

This year, our Annual Gala will be a celebration of not only Community Resource Center but also people like you who have made our work possible.

We hope you will join us for an evening to remember.

Celebrate and support Community Resource Center by including a tribute in our Commemorative Program!
